C386 Red

161 Mist Gray

F604 Pebble

445 White

065 Industrial Gray

040 Black

We also offer custom color matching. We will match new or special finishes using our computerized paint matching technology. We provide a painted metal sample at no charge (limit five colors per order) on all custom color requests. We use a metal sample so our customers can be sure that the sample accurately represents the production color they will receive. Contact Customer Service for manufacturing schedules and pricing. Custom color orders are not subject to cancellation nor return and must be one order and one delivery location. Not all colors will be accepted.

[Borroughs Powder Coat Paint Systems](#) are state of the art, and result in some of the best powder coat finishes in the industry today. Our Green ISO 14001:2015 registered processes exceed current environmental standards and our powder coat contains no ingredients banned by the Environmental Protection Agency. Our innovative reclamation technology reclaims unused powder, and helps lead the way in the industry towards real Green solutions. Our finished surfaces will not emit any chemical compounds or VOC's into the air during product use, which could harm people or stored items.

The color samples depicted on this publication are provided as a guide. There may be a variation in color, texture and finish between these samples and the actual painted product. All colors are not available on all products. Please contact your Borroughs Dealer Sales Representative or Borroughs Customer Service for details.
