Order Contents

		Comments
1	Purchase Order #	
2	Total number of pairs to be tested.	
3	Please note any special instructions.	
4	Would you like failures returned to you?	
5	Would you like failures automatically replaced? (Additional Charge)	
6	Would be like to be contacted in the event of a failure?	

Packing Instructions

Please pack your Rubber Gloves in a cardboard box large enough to fit your order for shipping. Individual pairs do not have to be in separate boxes and can be combined into one shipping box but do not fold, over-stuff or tightly compress multiple pairs together. The stress from this could lead to permanent creasing and premature failure.

Please ship to the following address for Testing.

T.E.S.T. ELECTRIC
C/O Craig McDaniel
14476 Duval Place West Ste 504
Jacksonville, FL 32218
